

## Healthy Clean

### Tough on odor and grease, Gentle on the environment

BiOWiSH Technologies is paving the way in green household cleaning solutions by introducing *Healthy Clean*, a powerful multi-purpose cleaner that eliminates odors upon contact and removes tough grease and dirt.

*Healthy Clean* is 100% natural, non-toxic and safe for everyday use around the home. It is also petrochemical free and contains no added phosphates, ammonia or chlorine.

*Healthy Clean* utilizes BiOWiSH™, a powerful biocatalyst that accelerates biochemical reactions up to a thousand times faster than their normal rate. This high speed action is one of the key reasons why *Healthy Clean* outperforms other household cleaners.

Unlike many common household cleaning products which are designed for single purpose, *Healthy Clean* is so versatile that it can be used as a surface cleaner, floor cleaner and deodorizer.

*Healthy Clean* is ideal for:

- Kitchen counter tops
- Garbage bins
- Carpets
- Stove tops and ovens including stainless steel
- Floor tiles
- Sinks and tubs
- Toilet bowls and urinals
- Diaper pails
- Smelly sporting apparel including sneakers and boxing gloves

### Instructions for Use
